## List of Futurama episodes

The American animated science fiction sitcom Futurama, created and developed by Matt Groening and David X. Cohen for the Fox Broadcasting Company, originally aired from March 28, 1999, to August 10, 2003 before being effectively cancelled. Starting in 2007, 20th Century Fox Television released four straight-to-DVD Futurama films. These films were subsequently reconfigured into four episodes each and were broadcast on four separate nights in 2008 and 2009 on Comedy Central as a fifth season. This was followed by a sixth and seventh season airing from 2010 to 2013 when the show was cancelled again. On February 9, 2022, Hulu revived the series with a 20-episode order covering an eighth and ninth production season, each of which began airing on July 24, 2023, and July 29, 2024, respectively. On November 2, 2023, Hulu renewed the show for a tenth and eleventh production season, consisting a total of 20 episodes, which will air from 2025 to 2026. The series is set to return on September 15, 2025.

The original 72-episode run of Futurama was produced as four seasons, however Fox broadcast the episodes out of the intended order, resulting in five aired seasons (though the first season was aired entirely in order). As a consequence, the show's continuity is disrupted by the broadcast order. For example, the episode "Fry and Leela's Big Fling" follows on from the ending of the previous episode in production order (which is "T.: The Terrestrial"); however, the episodes were not aired consecutively. Each of the show's 26-episode sixth and seventh seasons on Comedy Central was split into two 13-episode halves and broadcast effectively as four separate broadcast seasons over four years. Some of the episodes of those seasons were also aired out of production order, though episodes always aired within the half-season they were produced. Moreover, different regions and networks use different ordering for the episodes. Some countries broadcast the original 72 episodes in the four-season production-order. In the UK, the first 13 episodes of the series' sixth (production) season were released on DVD/BD as "season five".

As of September 30, 2024, 160 episodes of Futurama have been released, concluding the ninth season.

## List of Law & Order: Special Victims Unit episodes (season 20–present)

Law & Order: Special Victims Unit, the first spin-off of Law & Order, is an American police procedural television series that focuses on crimes of sexual nature. While the victim is often murdered, this is not always the case, and victims often play prominent roles in episodes. The series frequently uses stories that are "ripped from the headlines" or based on real crimes. Such episodes take a real crime and fictionalize it by changing the details. The series premiered on NBC on September 20, 1999, and its twenty-sixth season premiered on October 3, 2024.

Most episode titles of Law & Order: Special Victims Unit between seasons one and twelve are a single word or initialism. From seasons 13–17 and from seasons 21–23 (except for two episodes from season 23), the pattern changes to one in which episodes have a title with the number of letters matching the season number (in exactly two words, seasons 13–17). From seasons 18–20, the episode titles follow no fixed pattern. From season 24 onwards, most episodes have the title spoken at some point in the episode.

As of May 15, 2025, 573 episodes of Law & Order: Special Victims Unit have aired, concluding the twenty-sixth season.

The Simpsons is an American animated sitcom created by Matt Groening for the Fox Broadcasting Company. It is a satirical depiction of a dysfunctional middle-class American lifestyle starring the

eponymous family: Homer, Marge, Bart, Lisa, and Maggie. Set in the town of Springfield, the show lampoons both American culture and the human condition. The family was conceived by Groening shortly before a pitch for a series of animated shorts with producer James L. Brooks. Groening named each character (other than Bart) after members of his own family. The shorts became part of the Fox series *The Tracey Ullman Show* on April 19, 1987. After a three-season run, the sketch was developed into a half-hour prime-time hit show.

From the series debut on December 17, 1989, to May 17, 2009, *The Simpsons* had broadcast its first 441 episodes, to the end of the twentieth season. The show holds several American television longevity records. It is the longest-running prime-time animated series and longest-running sitcom in the United States. On April 28, 1994, *The Simpsons* reached its 100th episode in the fifth season. With its twentieth season (2008–09), the series tied *Gunsmoke* in seasons as the longest-running American prime-time scripted television series, and surpassed *Gunsmoke* in this record with the twenty-first season premiere on September 27, 2009.

Episodes of *The Simpsons* have won dozens of awards, including 31 Emmys (ten for Outstanding Animated Program), 30 Annies, and a Peabody. *The Simpsons Movie*, a feature-length film, was released in theaters worldwide on July 26 and 27, 2007 and grossed US\$526.2 million worldwide. The first twenty seasons are available on DVD in regions 1, 2, and 4, with the twentieth season released on both DVD and Blu-ray in 2010 to celebrate the 20th anniversary of the series. On April 8, 2015, showrunner Al Jean announced that there would be no more DVD or Blu-ray releases, shifting focus to digital distribution, although this was later reversed on July 22, 2017. Almost two years later, on July 20, 2019, it was announced that Season 19 would be released on December 3, 2019, on DVD.

On April 26, 1998, *The Simpsons* reached its 200th episode in its ninth season, its 300th episode on February 2, 2003, in the fourteenth season, and its 400th episode in the eighteenth season on May 20, 2007, which is also the last episode of the series to air before the release of *The Simpsons Movie*.
