"Rapunzel" (r?-PUN-z?l; German: [ˈʁaˈpʰnt͡sl?]; French: Raiponce or Persinette) is a German fairy tale most notably recorded by the Brothers Grimm and it was published in 1812 as part of *Children's and Household Tales* (KHM 12). The Grimms' story was developed from the French literary fairy tale of Persinette by Charlotte-Rose de Caumont de La Force (1698), which itself is an alternative version of the Italian fairy tale Petrosinella by Giambattista Basile (1634).

The tale is classified as Aarne–Thompson type 310 ("The Maiden in The Tower"). Its plot has been used and parodied in various media. Its best known line is, "Rapunzel, Rapunzel, let down your hair."

Tangled

released by Walt Disney Pictures. Loosely based on the German fairy tale "Rapunzel" in the collection of folktales published by the Brothers Grimm, the film

Tangled is a 2010 American animated musical adventure fantasy comedy film produced by Walt Disney Animation Studios and released by Walt Disney Pictures. Loosely based on the German fairy tale "Rapunzel" in the collection of folktales published by the Brothers Grimm, the film was directed by Nathan Greno and Byron Howard, and produced by Roy Conli, from a screenplay written by Dan Fogelman. Featuring the voices of Mandy Moore, Zachary Levi, and Donna Murphy, Tangled tells the story of Rapunzel, a lost young princess with magical long blonde hair who tries to leave her secluded tower. She accepts the aid of an intruder, the outlaw Flynn Rider, to take her out into the world which she has never seen.

Originally conceived and proposed by Disney animator Glen Keane in 2001, Tangled spent six years in production at a cost that has been estimated at \$260 million, which, if accurate, would make it the most expensive animated feature film ever made and one of the most expensive films of all time. The film employed a unique artistic style by blending together features of computer-generated imagery (CGI) and traditional animation while using non-photorealistic rendering to create the impression of a painting. Composer Alan Menken, who had collaborated on prior Disney animated features, returned to score Tangled, and also wrote the film's songs with lyricist Glenn Slater. Before the film's release, its title was changed from Rapunzel to Tangled, reportedly to market the film gender-neutrally.

Tangled premiered at the El Capitan Theatre in Los Angeles on November 14, 2010, and went into general release on November 24. The film earned \$592 million in worldwide box office revenue, \$200 million of which was earned in the United States and Canada, making it the eighth-highest-grossing film of 2010. Tangled received positive reviews from critics, who praised the animation, writing, characters, and musical score. The film was nominated for a number of awards, including Best Original Song at the 83rd Academy Awards. It was Richard Kiel's last film role before he died in 2014. The film was released on DVD and Blu-ray on March 29, 2011; a short film, Tangled Ever After, was released later in 2012, and a television series aired from 2017 to 2020. A live-action remake was in development but put on hold indefinitely in April 2025 due to the commercial failure of Snow White (2025).

Rapunzel is a fictional character in Disney's animated film Tangled (2010). Based on the title character from the Brothers Grimm fairy tale of the same name, Rapunzel is a young princess kept unaware of her royal lineage by Mother Gothel, a vain woman who kidnaps her as a baby to hoard her hair's healing powers and remain young forever. Raised in a secluded tower, Rapunzel escapes with a wanted thief who promises to help her see the elusive floating lights in time for her 18th birthday, in exchange for a crown she has hidden from him. She is voiced by actress and singer Mandy Moore.

Created and animated by supervising animator Glen Keane, the character was adapted into a less passive heroine for the film by removing her from the confines of the tower. The character was originally to have been voiced by actresses Kristen Chenoweth and Reese Witherspoon, who eventually left the project and were replaced by Moore. Keane based her personality and interests on those of his own daughter, specifically painting. Special software was used to animate Rapunzel's 75-feet of long hair.

Critical reception of Rapunzel has been generally positive, with critics complimenting her spirited, lively personality and independence. The tenth Disney Princess, Rapunzel was officially inducted into the line-up on October 2, 2011, becoming the franchise's first computer-animated member and the first European princess in 20 years, the last being Belle from Beauty and the Beast (1991). Her appearance and personality have drawn much comparison between her and one of the preceding Disney Princesses, Ariel from The Little Mermaid (1989), by whom she was inspired.

Flynn Rider

Grimm fairy tale "Rapunzel", Flynn is a wanted thief who seeks refuge in Rapunzel's tower after stealing a crown. Blackmailed by Rapunzel into taking her

Eugene Fitzherbert, born Horace and known by the alias Flynn Rider, is a fictional character who appears in Walt Disney Animation Studios' animated film Tangled (2010), its short 2012 film Tangled Ever After, and the 2017 television series Rapunzel's Tangled Adventure (previously titled Tangled: The Series). The character is voiced by American actor Zachary Levi, who decided to audition for the role upon learning that he would also be providing the character's singing voice. Levi's duet with singer and co-star Mandy Moore, "I See the Light", would go on to become the actor's first professionally recorded song and musical debut.

Loosely based on the prince in the Brothers Grimm fairy tale "Rapunzel", Flynn is a wanted thief who seeks refuge in Rapunzel's tower after stealing a crown. Blackmailed by Rapunzel into taking her to see the kingdom's floating lanterns in time for her eighteenth birthday, Flynn undergoes a change of heart as he gradually begins to fall in love with Rapunzel. Flynn was created by screenwriter Dan Fogelman and directors Nathan Greno and Byron Howard because they felt that the incarcerated Rapunzel needed someone to escort her out of the tower. He was conceived as a thief as opposed to a traditional prince in favor of making him a funnier and edgier character. Originally written as a British farmer, Flynn was ultimately developed into a swashbuckling thief inspired by fictional characters Han Solo and Indiana Jones, and actors Gene Kelly and Errol Flynn; the alias Flynn Rider was named after the latter.

Flynn has divided film critics. While some reviewers enjoyed the character's refreshing humor, rebelliousness and sarcasm in comparison to traditional Disney princes, others found his personality to be annoying and obnoxious, while panning his narration. Additionally, Flynn has also been strongly accused of being a marketing tool exploited by Disney to attract a larger male audience to Tangled. However, both the character's romantic comedy-esque relationship with Rapunzel and Levi's vocal performance have received widespread acclaim.

Rapunzel syndrome is an extremely rare intestinal condition in humans resulting from ingesting hair (trichophagia). This syndrome occurs when a trichobezoar (hairball) reaches past the small intestine, and sometimes even into the colon producing a long, tail-like extension of hair. The syndrome is named after the long-haired girl Rapunzel in the fairy tale by the Brothers Grimm. Trichophagia is also sometimes associated with the hair-pulling disorder trichotillomania. The Rapunzel syndrome is, however, a rare and unusual form of trichobezoar. Since 1968, there have been fewer than 40 documented cases in the medical literature.

Mother Gothel

young daughter Rapunzel, removing Gothel's access. With her life suddenly endangered, Gothel attempted to take a single tendril from Rapunzel, but the tendril

Mother Gothel is a fictional character who appears in Walt Disney Pictures' animated film *Tangled* (2010). The character is voiced by actress and singer Donna Murphy in her voice acting debut; Murphy auditioned for the role spontaneously upon learning from her agent that Disney was auditioning actresses for the film's villainous role. Loosely based on Dame Gothel from the German fairy tale "Rapunzel", Mother Gothel is a vain old woman who hoards the strong healing powers of a magical gold flower to live for many years and remain perpetually young and beautiful. When the flower is harvested to heal the kingdom's ailing queen, its powers are inherited by the king and the queen's beautiful young daughter Rapunzel, removing Gothel's access. With her life suddenly endangered, Gothel attempted to take a single tendril from Rapunzel, but the tendril loses its power when cut, so she kidnaps the infant, imprisoning the princess in an isolated tower for eighteen years while posing as her mother to exploit her powers. To ensure Rapunzel does not leave, she tells her the outside world is dangerous and full of people who might steal her hair to use for themselves.

Inspired by Disney villainesses such as the Evil Queen and Lady Tremaine from *Snow White and the Seven Dwarfs* (1937) and *Cinderella* (1950), respectively, Gothel was developed by screenwriter Dan Fogelman into a more original, complex villain than the witch upon whom she is based because the character is forced to rely solely on her wit, charisma and intelligence as opposed to sorcery to survive. The film's most difficult character to develop, Gothel's appearance, whose beauty, dark curly hair and voluptuous figure were deliberately designed to serve as a foil to Rapunzel's, was inspired by the appearance of Murphy herself and American singer Cher.

Mother Gothel has been mostly well received by film critics, who enjoyed the character's humor, complexity, charisma and showmanship, dubbing her a scene stealer, while Murphy's performance has been met with widespread acclaim. However, some critics argued that Gothel was too passive, dismissing her as a weaker, less intimidating Disney villainess than Maleficent from *Sleeping Beauty* (1959) and Cruella de Vil from *One Hundred and One Dalmatians* (1961).
